UNITED STATES AIR FORCE AUXILIARY  
Unit D Box 11, 8891 Airport Road  
Blaine, MN 55449

12 July 2022

MEMORANDUM FOR ALL SQUADRON MEMBERS

FROM: MAJOR RYAN KENNY, ANOKA COUNTY COMPOSITE SQUADRON COMMANDER

SUBJECT: COMMANDER'S INTENT

1. As a long-time squadron member, former Cadet Commander, and Spaatz Award recipient, I am honored to serve you as the Anoka County Composite Squadron Commander.
2. My commander's intent: MISSION: Anoka will define how a successful composite squadron will execute Civil Air Patrol's primary missions and models our core values. Seniors will be cross trained to the best of their abilities following national programs and guidelines. Cadets will demonstrate their oath by advancing their training and participating in as many activities both locally and outside of the squadron as practicable. Together, our seniors and cadets will help each other improve while satisfying our mutual desire to be a part of something bigger than ourselves. END STATE: Seniors will be knowledgeable professionals and our cadets will be leaders. Anoka will continue to earn the Quality Cadet Unit Award, as we have each year since 2011.
3. It is because of you that Anoka is successful. Together, we will continue to grow, develop, train, trust, and be role models for each other and for other squadrons within Group 2 and Minnesota Wing.
4. I will continue the long standing Commander's Open Door Policy. This means that you can reach out to me directly. The chain of command is effective. However topics may occur where I am your best partner.
5. Let's be safe and have some fun! *Together We Rise!*

RYAN P. KENNY, Major, CAP  
Commander, Anoka County Composite Squadron

CC: Group 2/CC
